

# KYUNGMIN KIM

Toronto | 416-662-1276 | [kyungminkim0711@gmail.com](mailto:kyungminkim0711@gmail.com)

Being a photographer and graphic designer was the ultimate goal I had long dreamed of  
Based on what I learned at school, I would like to experience and learn a lot while working in the field.

My ability needs of the industry within the multifaceted realm of the media industry. I can find and have a wide range of marketable technologies in photograph, graphic and motion design, photography, video, web design and XD, strategic media writing, communication, social media marketing, and digital content creation.
